Kenknight, Jeff 10:24 AM:

Hi Ed. Just wanted to get your quick thoughts on LUB GWMA. We are drafting a letter to the petitioners to update them on what we have done in response there their January 2020 letter to Administrator Wheeler. Seems like at this stage, we should fine tune the letter getting WD input and get briefing materials updated. Then in January run it first through you and DanO (and Beverly?) and then with the acting RA? OECA is wanting to stayed engaged but I would think by then we would be talking to Larry. I don't think there is urgency to push anything through in December. Thoughts?

Kowalski, Edward 11:23 AM:

Your strategy is fine, Jeff. Could I ask to be briefed separately before we bring Dan into the fold? Thanks.

Kenknight, Jeff 11:24 AM:

Of course. Is it okay to bring Mat in on that briefing or would you prefer to have it be ECAD only?

Kowalski, Edward 11:25 AM:

Mat is fine. Thanks.

Kenknight, Jeff 12:24 PM:

did we ever issue the press release for PSNS FFCA or was it decided not to issue it

Kowalski, Edward 12:24 PM:

Decided not to issue

Kenknight, Jeff 12:24 PM:
